

# ~ THE DANGER OF A SINGLE STORY ~

NATALIA LESZCZYŃSKA

## Why is knowing a single story dangerous ?

By only knowing a single story ( about a person or a situation) we may get into default assumptions, our actions can be affected by this onesided perspective. It can also lead us to a lot of misunderstandings.

## What is a story ?

- a description of events and people that the writer or speaker has invented in order to entertain people.
